## Under Cabinet Kitchen CD

### Features

- **Slim Design Under-Cabinet Space Saving Kitchen CD Clock Radio** brings a multi-media entertainment center into the kitchen, mounting under a cabinet so it takes up none of your precious counter space
- **Digital Synthesized AM/FM Stereo Tuner** makes tuning-in a desired station simple and precise with accurate drift-free tuning of AM and FM radio stations
- **PLL Quartz Digital Frequency Synthesized Tuning** is an extremely accurate method of tuning with optimum stability which reduces station drift
- **15 Station Memory Presets** lets you quickly and easily tune in to your choice of up to 15 AM or FM radio stations
- **Convenient Front Loading Design** with slide-out mechanism for fast, easy access to the compact disc
- ▲ **Built-In Stereo Speakers** enhances realistic listening effect with separate left- and right-channel speakers
- **Made of Easy-to-Clean Material** so you can keep this special entertainment appliance as neat and clean as the kitchen itself
- **Backlit Easy-to-See LCD Display** shows time, mode, selected radio band, CD track, and other information with large LCD numerals that are easy to see from across the kitchen, even in the dark
- **Built-In Timer/Alarm Function** acts as a built-in timer for food preparation or other uses, and automatically alerts you to a particular time which you set
- **Mega Bass® Sound System** reproduces the rich, powerful bass tones for a more enjoyable listening experience
- **Date Display** on front panel is clear and easy to read, to keep you up to date as well as up to the minute
- **Forward/Reverse Time Setting** for easy, speedy and efficient time and alarm settings
- **Self-Powered Memory Back-Up** needs no additional battery to maintain clock and alarm settings and operation in event of a temporary power failure
