- ▲ Internal Lithium Battery
- Extendable Snooze
- ▲ Nap Timer
- Alarm Indicator
- Brightness Control (H/L)
- Green LCD

Features

- ▲ Smart and Stylish Design attractive modern design to compliment your décor
- ▲ Compact Footprint takes up a minimum of space on nightstand, desk or dresser
- Internal Lithium Battery to maintain the time and alarm in the case of a power outage
- AM/FM Tuner lets you choose from a wide variety of radio, talk and music programming
- Dual Alarm permits two separate wake-up time settings
- ▲ Extendable Snooze gives you the freedom to easily choose your own snooze time instead of being held captive by the short time intervals of other snooze timers; each press of the snooze bar adds an additional 10 minutes to your total snooze time; up to a full hour of uninterrupted sleep will be your choice after the alarm first sounds, all with just a few quick flicks of your fingertips.
- ▲ Nap Timer is a separate button which allows you to take a short nap and wake up to radio or buzzer without changing your alarm settings. (you can select your favorite nap time 10/20/30/60/90/120 minutes)
- ▲ Triple Time Display Current time, Alarm A and Alarm B are displayed on the easy-to-read LCD display
- ▲ Daylight Saving Time/Summer Time adjustment; one hour skip function
- Alarm Indicator confirms that the alarm has been activated to turn on at the preset time
- Brightness Control (H/L) lets you adjust the level of display brightness to suit your preference, in the day or nighttime
- Green LCD delivers a high-contrast highly readable display, even under a variety of lighting conditions
- "No Power No Problem" Alarm System uses internal Lithium battery to maintain clock and alarm operation in the event of a blackout or other power failure
