## VERTICAL COMPUTER BAG 2.0

CONTENT: BALLISTIC NYLON

Keep your laptop and accessories organized with this protective sleeve made of durable ballistic nylon. The lightweight design eliminates the bulk of conventional computer briefcases while offering plenty of storage and attachment options. Its padded main compartment fits a laptop up to 15 inches. Travel documents fit in the convenient mesh pocket, and the shielded accessory pocket blocks Radio Frequency (RF) waves to help protect your Bluetooth® enabled PDA or cellphone from unwanted access.
