

ELECTRIC/GAS DRYERS

DLE0442W
DLG0452W

Performance

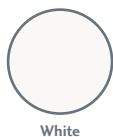

- XL Load Capacity with NeveRust Stainless Steel Drum (7.3 cu.ft. IEC)
- LoDecibel Quiet System (58dB sound power)
- Fast Drying Time

Intelligent Fabric Care

- Sensor Dry System for intelligent fabric care and energy efficiency
- 9 Drying Programs
- 5 Temperature Levels
- Precise Temperature Control with a variable heat source
- Drying Rack
- Wrinkle Care Option
- Delicate and Ultra Delicate Cycle
- Damp Dry Beeper
- Custom Program

Style and Design

- Upfront Electronic Control with Dial-A-Cycle
- Large Chrome Rimmed Door with Clear Glass
- Porcelain Top
- Optional Drawer Pedestals

ELECTRIC/GAS DRYERS

LoDecibel Quiet System

LG dryers are one of the quietest in the same category. Anti-vibration motor and one piece cabinet structure reduce unnecessary noises.

Electronic Control Panel with Dial-A-Cycle

Intuitive controls allow you to "set it and go". You can also save your favorite dry cycle by pressing Custom Program. One touch to see the dryer go.

Sensor Dry System

Measures moisture in the drum during the cycle, then automatically adjusts the drying time and temperature for optimal fabric care.

Drying Rack

Allows you to dry sweaters, sneakers, stuffed animals and pillows carefully without tumbling them.

Wrinkle Care Cycle

Dry clothes are periodically tumbled without heat to reduce wrinkles.
