- Clip Style Headphones
- 8 Playback Modes
- Bookmark Playback Function for Easy Programming
- Digital Mega Bass® Sound System
- Digital Volume Control
- Up to 16 Hours<sup>3</sup> Battery Life (requires 2 "AA" batteries, not included)

**SKIP-FREE**  
G-PROTECTION™  
\*Reduce or eliminate skipping during many sessions.

## Features

- Digital AM/FM Tuner allows you to listen to your favorite radio stations. Preset up to 20FM and 10AM stations.
- Full Circle Design mirrors the look of the CD itself.
- CD-R/RW Playback<sup>1</sup> Plays back CD-R/RW discs burned either in a PC or a home recording deck. Create custom mixes from your existing personal music collection.
- Skip-Free<sup>2</sup> G-Protection™ Technology continues to provide quick recovery from both horizontal and vertical shock.
- 8 Playback Modes offer many predetermined choices in the playback of CDs, including hearing one track over and over, hearing a selection of tracks in a desired order, or listening to tracks randomly.
- Bookmark Playback Function for Easy Programming You can easily program your favorite songs from multiple CDs and play them back with the touch of a button. This feature makes it easy to program and playback a personalized mix of your favorite songs.
- Digital Mega Bass® Sound uses digital processing technology to produce rich, deep, bass tones with extremely low harmonic distortion.
- Digital Volume Function provides precise adjustment of volume level, while the volume level appears on the LCD display.
- 2 Position Automatic Volume Limiter System (AVLS) maintains volume output at levels below distortion threshold for cleaner sound reproduction.

## Specifications
