

HT-Z410T

5 Disc Home Theater System

With Samsung's HT-Z410 Home Theater System, you enjoy 1000 watts of audio power pumped through 5.1 channels for astoundingly pure sound. No matter where the speakers are placed, Samsung's Auto Sound Calibration optimizes the output to deliver clear highs, thundering lows, and every nuance in between. A 5 CD/DVD changer lets you pick your favorite movies and shows on the fly; Advanced HDMI connectivity with 1080p up-conversion transfers every crisp, clear detail to your HDTV, controlled through a single remote. An iPod® dock lets you enjoy playlists out loud, while USB host technology lets you connect and control digital devices with ease.
