Wall-mount Home Theater System

Samsung's innovative home theater technology meets a stunning new design. A modern "sound bar" shape with 2.1 channel DVD capabilities offers the perfect blend of hi-fi elegance. Built-in Bluetooth® capabilities eliminate the clutter of wires, while 300W output and wireless subwoofer give you all the power you need. Enjoy HD movies and shows the way they were meant to be enjoyed, with virtual surround sound. Advanced HDMI connectivity with 1080p up-conversion offers crisp, clear images to match the pristine sound. And the unique wall-mountable design makes this the ideal home theater complement for any HDTV 40" or larger.
