

BD-P3600 Blu-ray Player

Samsung's BD-P3600 takes Blu-ray Disc® player entertainment to the next level. Enjoy your favorite titles in Blu-ray, for the best images and sounds. Our innovative Video Quality Enhancement (VQE) feature further improves the picture quality, adjusting brightness while reducing shaking, flickering and other visual "noise." Access online content wirelessly – the BD-P3600 is WiFi ready (wireless adaptor included). And PC streaming puts your computer's media files at your command, on your HDTV.

- WiFi Ready (Samsung wireless adapter included)
- Netflix/Pandora
- BD Profile 2.0 (BD Live)
- 7.1 channel audio out
- 1GB built-in memory
- PC Streaming
