†To access DIRECTV HD programming, HD Access fee (\$10.00/mo.), a DIRECTV Slimline Dish, HD receiver, and HD television equipment are required. **Some interactive services may require phone line connection and/or additional service fee. **Additional equipment required and sold separately. Manufactured under license from Dolby Laboratories. Dolby and the double-D symbol are registered trademarks of Dolby Laboratories. †To use this feature you must have your receiver directly plugged into a telephone outlet (not a wireless phone jack) and must subscribe to Caller ID or similar caller identification service from your phone company. ††The DIRECTV MediaShare feature is able to pull most formats of music, photos and video from connected devices that support DLNA compatible media servers and display or play them on DIRECTV MediaShare enabled boxes (H21, H23, H24, HR20, HR21, HR22, HR23, HR24, R22). MediaShare requires Ethernet cable or Wireless Game adapter from the DIRECTV MediaShare enabled box connected to the user's home network in addition to a DLNA compatible media server. MediaShare installation and networking adapters not included with DIRECTV service. Support for Internet content requires 3rd party DLNA compatible media server. For details see directv.com/mediashare. §DIRECTV Whole-Home DVR service requires a DIRECTV Plus HD DVR Receiver, a second Whole-Home-enabled HD receiver, SWiM network, HD Access (\$10.00/mo.), DVR service (\$7.00/mo.) and Whole-Home DVR service (\$3.00/mo.).
