Our Best Picture Ever

So realistic you might forget you're just watching TV. The Sony XBR HX950 Series HDTV is the best picture we've ever created, where details like individual flakes of snow come to life with laser-sharp precision and the most natural color imaginable.

Pro-grade Picture Detail

Introducing a picture so lifelike, everything you watch shows crisp clear, astonishing detail and color.

Spectacular Contrast

Extraordinary contrast with full array local dimming provides a combination of intense highlights, bright whites and deep blacks.

Astonishing Clarity

Motionflow™ XR 960 recreates natural motion with reduced judder and less blur so you see everything as if you were there.

Endless Entertainment

Connect to the internet to instantly access thousands of Full HD movies, TV shows, videos, games, music and made-for-TV apps.
