## TV/Weather/FM/AM 4 Band CD Clock Radio

### features

- **Stylish and Interior Conscious** distinguishes this versatile system from ordinary looking clock radios while compact styling also saves space on nightstand
- ▶ **Sophisticated LCD Display** is backlit for day/night visibility
- ▶ **Acrylic Lid** allows you to view the CD being played which gives this clock radio a cool, high tech look.
- ▲ **Triple Time Display** Allows a main display for the time and 2 for the alarms
- **Dual Alarm** permits two separate wake-up time settings
- ▲ **Extendable Snooze (10 Minutes per Tap/60 Minutes Max.)** gives you the freedom to choose your personal snooze time instead of having to settle for the standard time intervals of other alarms; each press of the Snoozinator™ bar adds an additional 10 minutes to your snooze time, up to a full hour, so with a few quick flicks of your fingertips you can roll over for more uninterrupted sleep without having to re-set the alarm
- ▲ **Gentle Sleep** when listening to CD or radio (with Sleep Timer) gradually decreases volume until it turns off
- **AM/FM/TV/Weather/4 Band** provides the most accurate drift-free tuning of all available radio stations for listening to radio talk and music shows, plus audio from TV channels 2-13, as well as up to the minute weather from your local Weather Band broadcasts
- ▲ **25 Station Presets** offer convenient one-button tuning to 10 of your favorite FM and 5 AM radio stations along with 5 TV channels and 5 weather frequencies
- **CD-R/RW Playback** plays all compact discs including CD-R (recordable) and CD-RW (rewritable); your own compilations from CD recorder deck or PC can be played on the unit, and it provides a great extension of ability to play network audio music from the Internet-a perfect companion for your PC music
- **5 Direct Access™ Buttons** lets you access your favorite radio stations with the touch of a button
- **LCD Brightness Control** lets you adjust the display brightness to suit your preference, in day or night time
- **Nap Timer** is a separate button which allows you to take a short nap and wake up buzzer without changing your alarm settings (You can select your favorite nap time 10/20/30/60/90/120 minutes)

### specifications
