

## Fill another room with music from your Lifestyle® system – easily and affordably.

Seeking a second room of music from your Lifestyle® system simply, affordably and with minimal impact on your décor? Meet your match: the

A speaker system that's  
*easy to live with.*

Lifestyle® RoomMate® powered speaker system. This slim, compact

speaker fits almost anywhere. And the sound quality is pure Bose, thanks to proprietary technologies that enable a fullness and clarity surprising

for a system this small. Plus, it comes

with our most advanced controller,

the Personal® music center II. Its LCD

provides detailed information about

what's playing. And, if you own a

Lifestyle® 38 or 48 system, this controller lets you view and access

your entire stored music collection from almost anywhere around

the house. The RoomMate system also works wirelessly, when used

with the Bose® link AL8 worldwide wireless audio link. Want

Bose sound in the kitchen, den, bedroom or beyond?

Get more from your Lifestyle® system the easy way,

with the RoomMate speaker system.

- **Our easiest complete worldwide solution:** One simple connection to your Lifestyle® system and you're ready to go.
- **Includes our most advanced worldwide controller:** Personal® music center II with built-in LCD screen lets you control and view the status of a selected audio source from almost anywhere around your home. Also gives you complete control and visual display of your uMusic™ stored music collection. (Lifestyle® 38 and 48 systems only)
- **Wireless compatibility:** Designed to work with our AL8 worldwide wireless audio link, eliminating the wire between the Lifestyle® media center and the RoomMate® speaker system.
- **Local mute control:** Touch-panel mute sensor on the front of the system lets you mute audio easily in case the remote isn't handy.
- **Local audio input:** Lets you hear audio from a local source, such as a TV or MP3 player, with Bose® quality sound.
- **Compact, elegant system design:** Single enclosure with slim profile and small footprint takes up very little space and blends with your décor. (6½" H x 11¼" W x 3¾" D)
- **Hear more accurate music reproduction with natural tonal balance and clarity,** thanks to Bose active electronic equalization.
- **Shielded transducers** prevent interference with TV or computer screens.
- Available in **Graphite Gray.**
