Brushbar turns off to protect rugs and delicate floors.

Includes the new 5 year warranty.  
[Click here for more details.](#)

## Features

---

### Mini turbine head

Ideal for removing pet hair and dirt from confined spaces such as upholstery, stairs and the car.

---

### Low reach floor tool

The Low reach floor tool adjusts to be most effective on hard floors and carpets.

---

### Carpet care kit

To keep new carpets looking new.

Zorb powder absorbs dirt from your carpet. Dyzolv spray removes spills and marks.

---

### 5 year warranty

5 year worry-free use.

---

### The Ball™

Zigzags around furniture to clean with less effort.

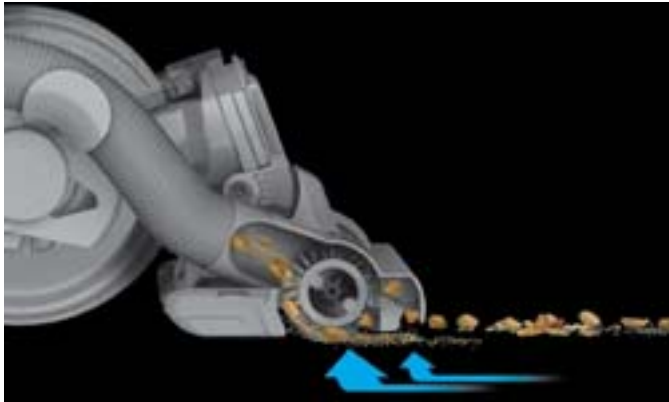

### **Lifetime HEPA filter**

Air expelled from a Dyson has up to 150 times less bacteria and mold than the air you breathe.

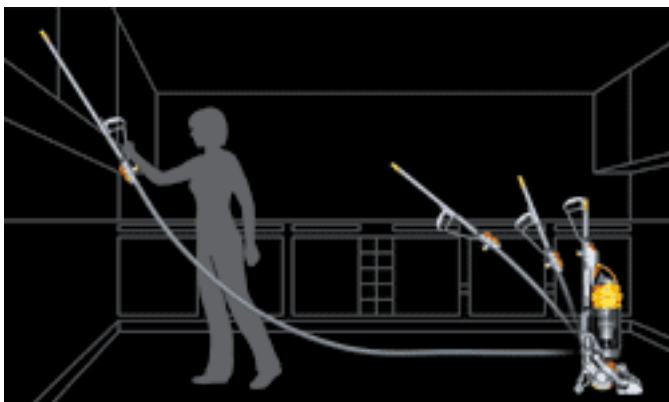

### **All floors cleaner head**

Glides into awkward spaces that are usually missed.

### **Large debris pickup**

Wide channel picks up large debris that others can leave behind.

### **Telescope Reach system™**

No awkward parts to assemble for high-reach cleaning.

---

## Root8Cyclone™ technology

Advanced Dyson cyclone technology.

## Hygienic bin emptying

No need to touch the dust - just push the button.

## Instant stair cleaning

Extendable hose for easy stair cleaning.

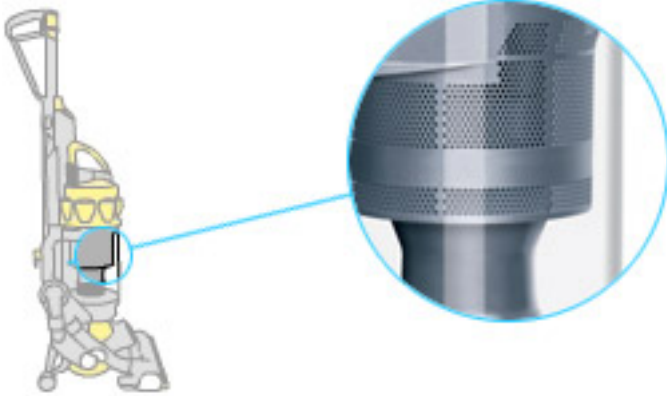

## Approved for allergy sufferers

Approved for allergy sufferers by the British Allergy Foundation.

### No extra costs

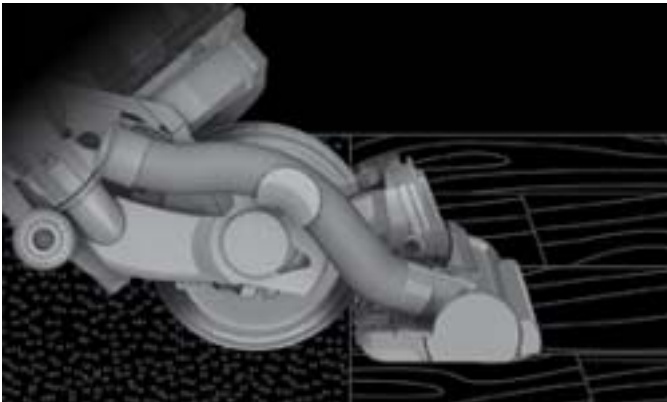

No extra costs - lifetime washable filters and no bags to buy.

### Clear Bin™

This has 4 clear advantages:

- You can see how well the Dyson works
- There are no bags to buy
- You can always tell when it's full
- It is easy to empty

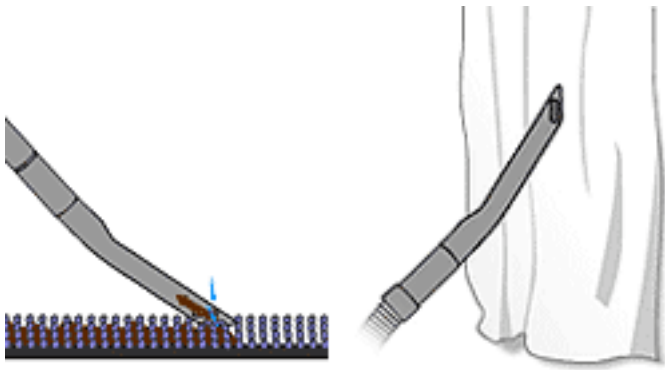

### Brush Control

Turn brushbar off at the touch of a button to protect delicate rugs and hard floors.

### Motorised brushbar

DC15 has a direct drive motorised brushbar. This improves pick-up on carpets by sweeping the dust and fibres trapped in the carpet pile into the constant Dyson airflow, without the need for belts.

## High velocity airflow tools

The intake nozzles of the DC15 tools direct high velocity airflow down into the carpet pile. This has two main advantages:

- You pick up more because the directional force of the air agitates and dislodges dust
- The airflow is continuous even when vacuuming curtains or upholstery preventing them from becoming stuck to the cleaner

---

## Technical specifications

Dimensions	44.09"H x 13.66"W x 11.41"D
Weight	19.95 lbs
Motor wattage:	10 amps. The power of a vacuum cleaner is best measured in airwatts (suction power). Motor wattage simply tells you how much electricity a cleaner uses.
Bin capacity	0.71 gallons
Cable length	37 ft.
Maximum reach	51 ft.
