Frigidaire®

Freezers & Specialty Products

Why buy a freezer?

Freezing is the healthiest way to preserve the fresh, natural flavors and nutrients of produce, meats and fish. Just ask any gardener, hunter or fisherman. Even if the only hunting you do is for bargains in the frozen food aisle of your grocery store, an upright freezer provides cost-effective storage that lets you enjoy the full value of bulk purchasing. Frigidaire® is the world's largest manufacturer of residential freezers. Our 20 cu. ft. upright freezer with easy-to-organize StorMor™ shelves and baskets, holds up to 700 pounds of food while consuming no more floor space than a 5 cu. ft. chest freezer. So, you'll have ample storage capacity without taking up valuable floor space in your garage, laundry room or basement. And, the commercial grade Frigidaire® upright freezer is frost free. So you'll never have to unload, unplug or drain your freezer again.

Our upright freezers hold about 35 pounds of food per cubic foot. Frigidaire® has the right fit and storage capacity for any size family.

14 Cu. Ft.
Holds up to 490 lbs. of food.

17 Cu. Ft.
Holds up to 595 lbs. of food.

20 Cu. Ft.
Holds up to 700 lbs. of food.

Choosing the right freezer for you.

According to the National Association of Home Builders, your purchase of a freezer today is an investment that you'll live with for twelve or more years. In addition to the purchase price, careful consideration should be given to style, safety, convenience, economy and warranty.

Style

Consider the product and its location in your home. Will an upright or chest freezer work better for you? Frigidaire® freezers look smart enough to fit in your kitchen but they're durable enough for your basement or garage.

Economy

Freezer Energy Consumption vs. 100 Watt Light Bulb

Freezer Model	Kwh/yr Usage	vs.	100 Watt Bulb
U14F	621		41.06%
U17F	685		28.45%
U20F	763		14.81%
C15	398		120.65%
C20	484		82.50%
C25	569		53.95%

What you pay for a freezer is one thing. How the freezer pays for itself is another. Not only are Frigidaire® freezers affordable but they're economical to operate. For instance, a 14 cu. ft. Frigidaire® upright freezer annually consumes less than half the energy needed to light a 100 watt bulb for the same period of time.

Convenience

All Frigidaire® upright freezers have loads of shelf and bin storage to keep foods within sight and within reach. Many models are frost free for the ultimate in convenience.

Food Safety

All upright models have a Door Closer feature, Magnetic Door Gaskets for an air-tight seal, a Power-On Light and a Temperature Alarm System which sounds if the interior temperature rises to an unsafe level.

Quality Construction

Frigidaire freezers utilize a durable epoxy powder coated finish on a rugged steel liner for many years of reliability and durablility.

Warranty

Your investment is covered by our 1-5-10 warranty. Frigidaire® even offers a Limited 3-year Food Spoilage Plan. See the warranty section of this brochure for details.

For complete warranty details, please refer to the Frigidaire® Owner's Guide packed with the product or online at www.frigidaire.com, or call 1-800-FRIGIDAIRE.

Professional Series® Products

With the Professional Series® Beverage Center you can enjoy the convenience and great taste of draft beer anytime and almost anywhere, from the recreation room to poolside. For the ultimate in home entertaining, style and luxury — fresh, cold brew wherever and whenever it's needed.

The Professional Series® "Twins" are the industry's largest side-by-side configuration and provide a unique value in a large capacity, elegantly styled food storage system. The counter-depth design and dynamic condenser system allow these units to be built in for a truly premium appearance while providing over 33 cubic feet of food storage.

The Professional Series® "Beverage Center" and "Twins." Unique products. Unique value.

KEY BEVERAGE CENTER FEATURES

Dispensing Kit comes complete with tap, regulator, faucet, hoses and CO_2 canister.

Adjustable Shelves provide flexibility for customization of storage space for other beverages and glassware.

Reinforced Cabinet Structure accommodates kegs up to half-barrel size (16 gallons), cans, bottles and more.

Heavy-Duty Caster Kit for full portability is available as an option (297027300).

KEY TWINS FEATURES

EasyCare™ Genuine Stainless Steel surfaces feature a protective micro-coating which reduces smudges and fingerprints and minimizes maintenance.

StorMor™ Full-Access Sliding Storage Bins allow you to organize and store frozen food easily. The wire construction securely stores larger packages and provides complete visibility of contents.

StorMor™ Tilt-Out Wire Door Bins help you store a variety of frozen food items in a smaller space. The wire construction securely stores small packages and allows complete visibility of contents, while the tilt-out feature gives you easy access.

Clear Adjustable Door Bins offer maximum storage capacity with the convenience to lift and snap into place with one hand.

Upright Freezers

Today as always, Frigidaire® innovation leads the home appliance industry. Our ingenuity anticipates consumer demand, delivering products of exceptional performance, convenience and style. From saving time to saving energy, Frigidaire® embodies the cutting edge of appliance design.

Our upright freezers offer out-of-the-white-box thinking with innovative features like sliding baskets, adjustable glass shelves, a reduced temp compressor and a Temp Alarm for worry-free performance. We packaged those features in our coolest freezer styling ever.

For food storage that's as thoughtful as it is secure, Frigidaire® quality leads the way.

KEY FEATURES

Lock with Pop-Out Key keeps your freezer door shut and securely locked. Key automatically ejects to prevent being left in the lock.

StorMor™ Tilt-Out Wire Door Bins help secure irregular-shaped items when being stored in the freezer door.

Temp Alarm alerts you with a light and a buzzer alarm if the freezer's interior temperature becomes unsafe for proper food storage.

Commercial Rated meets UL requirement for commercial rating.

StorMor™ Full-Access Sliding Storage Baskets provide convenient dual-level storage for odd-shaped items. The durable epoxy finish will not chip, crack or discolor in freezing temperatures.

StorMor™ Flexible Door Storage expands to accommodate odd-sized items.

Chest Freezers

Frigidaire® chest freezers are designed to offer years of uncompromising performance and durability. An example of Frigidaire's commitment to innovation is the industry's first Frost-Free Chest freezer. All of the quality that you expect and the convenience that you deserve.

KEY FEATURES

Lock with Pop-Out Key keeps your freezer door shut and securely locked. Key automatically ejects to prevent being left in the lock.

StorMor™ Lift-Out Baskets provide convenient dual-level, lift-out storage for foods used most often, keeping them within easy reach for ease of loading and unloading.

Temp Alarm alerts you with a light and a buzzer alarm if the freezer's interior temperature becomes unsafe for proper food storage.

Power-On Light remains lit to indicate that power to the freezer is currently uninterrupted.

Defrost Water Drain aids for easy and efficient defrosting.

Interior Light is molded into freezer lid to help provide maximum visibility in dimly lit areas.

FULL ONE-YEAR WARRANTY

Every Electrolux Home Products freezer is guaranteed to be free of materials defects or component malfunctions. Electrolux Home Products will repair, without charge, any problem that occurs during the first year after original date of purchase.*

LIMITED 2ND - 5TH YEAR WARRANTY

Sealed System
Electrolux Home Products will provide the labor and parts to repair or replace any component of the Sealed Refrigeration System (compressor, condenser, evaporator, drier and tubing) that proves to be defective for the second through fifth years from original date of purchase.* Diagnostic, transportation and labor costs other than with respect to the Sealed Refrigeration System are the responsibility of the consumer.

Cabinet Liner, Refrigerating Systems
Electrolux Home Products will provide a replacement for any defective part(s) for the cabinet liner and/or sealed refrigerator systems that break due to defects in materials or workmanship (not customer abuse), for the second through fifth years from original date of purchase.* Transportation costs required because of service are the responsibility of the consumer.

LIMITED 6TH - 10TH YEAR WARRANTY

Compressor
Electrolux Home Products will replace any freezer compressor which proves to be defective in materials or workmanship for the sixth through tenth years from original date of purchase.* Diagnostic, transportation and labor costs which are required because of service are the responsibility of the consumer.

LIMITED THREE-YEAR

Food Spoilage Plan
Every Electrolux Home Products freezer has a limited food spoilage plan if food loss results because of defects in materials or workmanship during the first three years from original purchase date.

Some restrictions may apply for Alaska.

This warranty is provided by Electrolux Home Products North America, a division of Electrolux Home Products Inc. in the U.S.A., and in Canada by Electrolux Canada Corp. *For complete warranty details, please refer to your Owner's Manual.*

High standards of quality at Electrolux Home Products mean we are constantly working to improve our products. We reserve the right to change specifications or discontinue models without notice.

PARTS AND SERVICE

Wherever you live or move in the U.S.A., our national network of authorized independent service companies provide prompt, professional repair service. To maintain warranties, always ask for Electrolux Home Products Genuine Renewal Parts.
