

THE ORIGINAL AUTOMATIC

R12065403 | 01.734.6065.3.040

In 1962, Rado revolutionised watchmaking with its scratch-resistant DiaStar. Incorporating the bold and ageless appeal of the first DiaStar, the Original bears the features and functions Rado enthusiasts know and the distinctive look they love. The first Rado product powered by a Nivachron movement which is visible to help the wearer feel a closer connection to the watch.
