

NOIR 60CM BUILT-IN COFFEE SYSTEM

Signature Features

GROUND COFFEE COMPATIBILITY

Indulge percolating cravings with coffee, espresso and cappuccinos made with pre-ground coffee or whole beans.

STEALTH FLUSH DESIGN

Create an unbroken silhouette. Discreet " reveals envelop every side, as dark interiors and glass expands pull you in.

LED LIGHTING

LED lights instinctively come alive, chasing away shadows to reveal vivid details.

CUP TRAY WITH INTEGRATED DRIP TRAY

Gourmet brews flow into waiting vessels nestled safely in the cup tray. Beneath, stray drips and water from rinse cycles are captured in the integrated drip tray, which is easily removed and cleaned.

3.5-INCH, FULL-COLOR, MULTI-LINGUAL LCD DISPLAY

The full-color LCD display is compact and packed with 2 languages for you to choose from, English and French. With just one touch of the intuitive control panel, cafe-style drinks, tailored to individual tastes, are brewed right in your native tongue.

WATER RESERVOIR

With no direct plumbing required, installing and keeping your built-in coffee system brimming with water is seamless.

CONCEALED STORAGE

Coffee supplies go incognito until you draw them out of hiding.

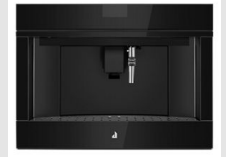

EMOTIVE CONTROLS

Inviting controls wait expectantly for the lightest touch to unleash performance.

REMOVABLE BREWING UNIT

Taste upheld. Preserve flavor integrity with an easy-to-remove, easy-to-access and easy-to-clean brewing unit.
