TERRAPUR™ NATURAL LATEX

Certified 100% natural and Oeko-tex class 1, TerraPur™ Natural Latex is hypoallergenic, breathable and delivers a unique buoyant quality which relaxes muscles and relieves tension.

WOOL & CASHMERE

This luxurious natural fiber blend helps regulate your body temperature, while offering a soft feel that reduces pressure points and provides a sumptuous and exquisitely smooth feel.

JACQUARD DAMASK FABRIC WITH SEACELL™

Our Jacquard Damask panel fabric is natural, made with viscose and SeaCell™. Derived from renewable resources, cellulose and seaweed, SeaCell™ revitalizes the skin and adds an extra touch of softness and comfort.

HAND TUFTING

Our hand tufting process secures the mattress's inner layers by inserting tufts through the entire mattress, enhancing its overall comfort and durability.
