NOTES

- 55PH includes a ten-button wired power hand control on the right-hand side of the recliner that allows you to control the lift, reclining, headrest, and lumbar mechanisms independently
- Pocket on the right-hand side of the lift chair provides storage for the hand control and other belongings
- Removable backs allow for easy lifting and maneuvering through doorways.
- 55 includes a four-button wired hand control on the right-hand side of the recliner allows for controlled transitioning between the recline and lift positions
