Stream from your favorite apps in Full HD.

Access over 300 streaming services¹ and enjoy endless entertainment including movies, TV shows, music and more from your favorite apps like Netflix®, YouTube®, Hulu Plus™, Pandora®, Amazon Instant Video™, and more.

Stronger, faster Wi-Fi® connectivity.

Sony Wi-Fi® Blu-ray Disc™ Players are engineered for a stronger and faster wireless connection. A new Wi-Fi module compatible with MIMO provides improved stability and speed performance for a better streaming experience.

Play PS3™ games directly on your TV – no game console required.

Enjoy instant access to a catalog of hundreds of streamed PS3™ games. Play using your 2015 Sony Blu-ray Disc™ player and a DUALSHOCK® 4 controller – no game console required.

Cast content from your smart device to your TV.

With Miracast™ screen mirroring technology you can mirror the screen of you Android™ compatible mobile devices to your TV¹¹.

Enjoy Blu-ray Disc™ movies in Full HD, and upscale your DVDs to near HD quality.

Watch the latest Blu-ray Disc™ movies in Full High Definition quality, for depth and image clarity far exceeding that of DVD. The BDP-BX370 also upscales your standard definition DVDs to near HD resolution³, so you can enjoy astonishing detail for all of your favorite movies.

Super Quick Start gets you watching faster

With Quick Start mode and Fast Loading, it takes less than 1 second to boot up your Blu-ray Disc™ player. You'll be able to get to the action quicker with even interactive discs loading in as little as 30 seconds once the tray is closed. If you're not watching Blu-ray, you can launch internet content even faster, too.

Easy navigation with a customizable user-friendly interface

Finding apps and features is quick and simple with a graphical user interface. Browse on your TV screen with easy-to-navigate panels—content is divided into featured apps on one side and your favorite apps on the other. Everything is neatly organized and quick to launch.

Enrich your viewing with the TV SideView app

Use your tablet or smartphone (Android or iOS) to control your Blu-ray Player and learn more about what you're watching—without disrupting your viewing experience. The SideView app also lets you instantly access content from devices on your local network or from the wide range of online services available on the player.

Enjoy your videos, photos and digital music with USB connectivity.

Easily display your videos and photos on your TV or listen to your digital music by simply connecting your USB storage device to the Blu-ray player's front USB slot⁷.

Dolby® TrueHD for sound as the director intended

Enjoy peerless audio quality with Dolby TrueHD, which delivers lossless sound across movies and music. By reproducing sound identical to original studio masters, it offers unparalleled audio fidelity for Blu-ray Discs, DVDs and downloaded content.

Reduce energy with an Energy Star® 3.0 rating.

With an Energy Star 3.0 rating, the player will consume less energy during its use and when it's in standby mode.

Specification
