

SRSXB13/B

XB13 EXTRA BASS™ Compact BLUETOOTH® Speaker

Enjoy big sound with the super-compact SRS-XB13 wireless speaker, featuring EXTRA BASS™, an updated IP67 waterproof and dustproof design^{1,2} and up to 16 hours of battery life.³ Small enough to fit in a bag or cupholder, the XB13 also features a multiway strap to take it with you everywhere you go.

Bullets

- EXTRA BASS™ for deep, punchy sound
- Sound Diffusion Processor expands sound far and wide
- Waterproof and dustproof ^{1,2} (IP67 rated)
- Up to 16 hours of battery life ³ with indicator
- Compact portable design with multiway strap included
- Add an extra speaker for stereo sound⁵
- Connect and stream music easily with Bluetooth®
- Convenient hands-free calling
- USB Type-C® port

Features

Bring your music to life with EXTRA BASS™

A passive radiator works together with a full-range speaker to enhance low-end tones, giving bass a boost.

Sound Diffusion Processor for expansive sound

Sound Diffusion Processor spreads sound in any space, with its DSP technology.

Waterproof and dustproof

Waterproof and dustproof with an IP67 rating^{1,2} and new UV coating for extra durability in the elements, you can take your speaker to the pool, the forest, the city, or wherever you'd like - the XB13 will keep on playing.

Up to 16 hours of battery life

Listen for longer with up to 16 hours of battery life³ and convenient battery life indicator.

Compact speaker with multiway strap

The XB13 is durable and portable, and includes a specially engineered strap to make it easier to travel with. But don't be fooled by its small size - this little speaker packs plenty of punch.

SONY

Add an extra speaker for stereo sound

Simply connect two speakers wirelessly for stereo sound.⁵

Hands-free calling

Need to make a call? No problem. Whether you're at home or out and about, the built-in mic lets you enjoy hands-free calling straight through your speaker.

Bluetooth® Connection and Fast Pair technology

Bluetooth® technology removes the need for wired connections and complex set-up sequences. Connect compatible Android™ devices, smartphones, or tablets in seconds – no pin or complex pairing. Simply turn on your speaker and your nearby smartphone will prompt you to connect, so you can start enjoying your music right away.

USB Type-C® port

The USB Type-C® port provides convenient connectivity.
