

IELE-91K

Westwood King Bed-Antique Brass

OVERVIEW

Beguiling curves soften hard materials for marked drama. Slim, hammered iron is finished in antique brass for depth that defies this frame's feminine air. A sculptural-focused design inspired by Swiss artist Alberto Giacometti. Low-profile box spring recommended.

COLLECTION OVERVIEW

From the Element Collection

Modern machine shop and vintage industrial inspirations combine. Cast and hand-forged iron pieces intrigue with glass accents, industrial rivets, crank handles and intricate gears. Rough, unsanded iron is finished in black or antique nickel with scars and dents that capture the look of a true antique.
