SHINOLA DETROIT

At Shinola, we've made a lasting commitment to making lasting things. World-class watches, beautiful leather goods, high-integrity audio, thoughtful gifts, and a hotel. If it's made, we want to try to make it better.

With relentless optimism, tenacity, humor, and humility, we help people shine in an understated way.

SINGLE TIME WITH DATE MODELS

SETTING THE TIME

- 1 Pull out the crown to position III. (The watch stops.)
- 2 Turn the crown until you reach the correct time.
- 3 Push the crown back into position I.

SETTING THE DATE

- 1 Pull out the crown to position II. (The watch continues to run.)
- 2 Turn the crown until the correct date appears.
- 3 Push the crown back into position I.
- 4 If setting the date between 9:30 p.m. and 12:00 a.m., follow steps 1 through 3, but be sure to set the date to the following day.

WATER RESISTANCE

All Detrola watches are designed with a water-resistance rating of 5 ATM.

The water-resistance of a timepiece protects the movement from dust, moisture, and risk of damage to the movement should it be immersed in water. Please see chart for guidelines for recommended exposure of various water ratings.

It is important not to attempt to adjust the position of the crown while the timepiece is in contact with water. Water can enter the case causing damage to the movement.

INDICATION		WATER-RELATED USE		
	Water-Resistance Characteristics	Light Spray, Perspiration, Light Rain, etc.	Swimming, etc.	Skin Diving (Diving without oxygen cylinder)
1	3 ATM	OK	NO	NO
2	5 ATM	OK	NO	NO
3	10 ATM	OK	OK	NO
4	20 ATM	OK	OK	OK
5	30 ATM	OK	OK	OK

ALWAYS SET THE CROWN IN THE NORMAL POSITION.

CARE AND PRECAUTION

Each Shinola timepiece is designed and manufactured to the highest of standards. Unlike most other mechanical objects, a watch operates non-stop. In order to ensure optimal performance and longevity from your Shinola timepiece, please review the simple guidelines for care and precautions.

CARE

- Clean your watch with a soft cloth and water only. Do not submerge your watch under water unless it is water rated.
- After saltwater use, rinse watch under tap water and wipe dry with a soft cloth.

PRECAUTIONS

Your timepiece is a complex integration of parts and components brought together by skilled craftsmen. There are certain actions or environmental situations that may damage or impede your timepiece's ability to perform optimally.

It is important to avoid the following conditions: extreme heat or cold, as well as prolonged periods of exposure to direct sunlight, exposure to wet conditions that exceed your timepiece's water rating. (See caseback and chart).

Your timepiece should not be affected by magnetic fields generated by household items such as televisions and stereos, but avoidance of other strong electric fields or static electricity, which may interrupt mechanism, is suggested. It is also important to avoid extreme shock or impact.

POWER SAVING MECHANISM

In order to extend the battery life of your watch when it's not in use, gently pull the movement stem/crown out until you feel it click. This will reduce battery power consumption by 70%. Please note that this is the same stem/crown position that is used to perform a quick TIME SETTING.

END OF BATTERY LIFE (EOL)

Select quartz watches are equipped with a feature to indicate when the battery level is low. When the battery gets to that stage, the second hand will jump 4 steps at a time, every 4 seconds. This behavior lowers the power consumption while still displaying the time accurately and letting you know that it is time to change the battery.

SHINOLA 3-YEAR LIMITED WARRANTY

At Shinola, every watch is assembled in our Detroit factory and combines meticulous hand-assembly with the most advanced technology available to ensure our watches are both beautiful and built to last. We are so confident in our high-quality manufacturing standards that all watches from our Detrola collection are warrantied under our industry-leading 3-year limited warranty, a testament to our core values.

THE 3-YEAR LIMITED WARRANTY COVERS ALL TIMEPIECES FROM THE DETROLA COLLECTION ONLY. REGISTRATION IS REQUIRED TO ACTIVATE THIS 3-YEAR WARRANTY. REGISTER YOUR TIMEPIECE BY VISITING US ONLINE AT [HTTPS://WWW.SHINOLA.COM/PRODUCT-REGISTRATION](https://www.shinola.com/product-registration).

1. The Shinola warranty covers defects to material and workmanship for three (3) years following original purchase and product registration. In case of defects caused by faulty workmanship covered by the 3-year limited warranty, any defective component (excluding battery, bracelets, leather/rubber/nylon/silicone strap and buckle) will be repaired or the watch will be replaced free of charge.
2. This warranty is valid for three (3) years following original purchase, so long as the original purchaser or gift recipient has registered their watch through Shinola Product Registration. This warranty is not transferrable after registration.
3. The 3-year limited warranty covers all Detrola series watches
4. In the case of a replacement falling within the terms of the 3-year limited warranty, Shinola cannot guarantee that you will receive the same watch model. If your model is not available a watch of equal value and similar style will be provided, so long as a receipt is presented with the original purchase price.
5. For service work that is not covered under the 3-year warranty, the service center may perform the services you request for a charge dependent on the type of work requested. You will be notified of such charges prior to Shinola commencing the requested repair(s). Shinola will commence such repairs only upon your prior approval to such charges.

6. Exclusions

- a. Natural wear to , bracelets, leather/rubber/nylon/silicone strap or buckle
- b. Natural wear or damage to watch case (TR-90 Resin) or crystal (K1 Mineral Crystal)
- c. Damage resulting from improper handling, lack of care, accidents or normal wear and tear
- d. Water damage caused by improper crown setting or by using the watch beyond its marked pressure (water) resistance
- e. This warranty is void if the watch has been damaged by accident, negligence or persons other than authorized Shinola sales or service agents, unauthorized service, or other factors not due to defects in materials or workmanship
- f. If you have your watch battery replaced by any service provider other than a Shinola authorized service center, such replacement may void your warranty. Shinola has the right to determine, in its sole and absolute discretion, if any such third-party battery replacement voids your warranty.
- g. Pre-owned vintage watches sold in as-is condition

The warranties and remedies above are exclusive and in lieu of all other warranties, terms or conditions, express, implied or statutory, as to any matter whatsoever, including, without limitation, warranties of merchantability, fitness for a particular purpose, accuracy, satisfactory quality, title, and non-infringement, all of which are expressly disclaimed by Shinola. Shinola shall not be liable for incidental, consequential, indirect, special or punitive damages or liabilities of any kind arising out of or in connection with the sale or use of this product, whether based in contract, tort (including negligence), strict product liability or any other theory, even if Shinola has been advised of the possibility of such damages and even if any limited remedy specified herein is deemed to have failed of its essential purpose. Shinola's entire liability shall be limited to replacement or repair at Shinola's sole option. However, some countries, states, or provinces do not allow the exclusion or limitation of implied warranties or the limitation of incidental consequential damages so the above limitations and exclusions may be

limited in their application to you. When implied warranties may not be excluded in their entirety, they will be limited to the duration of the applicable written warranty. This warranty gives you specific legal rights; you may have other rights that may vary depending on local law. Your statutory rights are not affected.

WE'RE HERE TO HELP

If you have any concerns or questions, don't hesitate to contact us. There are three ways to get in touch. Fill out the contact form on our website at [Shinola.com](https://www.shinola.com), give us a call, or send us an email.
