Electric Freestanding Convection Range with Air Fry

Enjoy built-in Air Fry for crispy favorites, even baking and browning plus quick, easy cleanup

Why buy yet another gadget that takes up counter space? This LG range with built-in Air Fry delivers crispy flavor fast with no preheating and makes enough to feed a crowd—from zucchini fries to hot wings. Main dishes also shine, thanks to fan convection that distributes heat to all areas of the oven for more precise baking and roasting. When cooking is done, cleanup is quick and easy, with the 10-minute EasyClean® cycle that helps keep your oven looking like new.

Air Fry is built into the large capacity oven—perfect for crispy snacks like french fries, hot wings and more

Air Fry Setting

CRISPY FLAVOR TO FEED A CROWD

- Prepare favorite crispy snacks like french fries, hot wings and more with Air Fry, for a guilt-free alternative
- High temperatures and the convection fan work together to deliver the flavor and crunch you crave without oil
- Unlike smaller countertop air fryers, Air Fry is built into the large capacity oven, for the flexibility to feed a crowd without sacrificing counter space
- No preheating means less time waiting, more time enjoying

Performance

DISCOVER BETTER BAKING AND ROASTING WITH FAN CONVECTION

- Helps distribute heat to all areas of the oven for faster preheating and more precise cooking
- An easy way to enhance your culinary skills—once you try it, you'll never go back

EasyClean® + Self-Clean

KEEP YOUR OVEN LOOKING LIKE NEW

- Get a spotless oven in just 10 minutes with the fastest oven-cleaning feature available*
- Simply spray the interior with water, press the EasyClean® button and let the oven do the work—without chemicals or high heat
- Use the regular self-clean cycle for the occasional deep clean

*Among major leading home appliance brands as surveyed in March 2020.
Heavy build-up may require additional manual effort or use of the full self-clean feature.

Additional Features

Largest Capacity*

ROOM FOR THE BIGGEST TURKEY AND YOUR SIDES

- This 6.3 cu. ft. range has the largest capacity oven in its class* so you can cook for one, or cook for all
- Whether you're baking large batches of cookies or a 20-pound turkey and sides for the holidays, the oven can fit all the pots, pans, Dutch ovens and skillets you need to get your cook on

*Based on LG internal survey (October 2018) for 6.3 traditional self-clean gas and electric single ovens, 6.9 gas double ovens and 7.3 electric double ovens.

Fastest Boiling 3.2kW Element

SAVE TIME AND GET LG'S FASTEST BOIL

- With 3,200 watts, this dual cooktop element is the most powerful available**
- Not only does it deliver LG's fastest boil to save precious minutes, it lets you match the element size to your cookware for the utmost in flexibility
- Additional 12"/9" dual element expands your cooking options

**As compared with other LG electric models, non-induction models.

Style & Design

PRO STYLING, EFFORTLESS SHINE

- Heavy duty metal knobs combine a premium, pro-style look with pinpoint cooktop control
- Stainless trim cooktop and tinted wide window elevate any kitchen décor
- PrintProof™ black stainless steel finish resists fingerprints and smudges to keep your kitchen looking its best

Smart Features

TAP INTO SMART FEATURES FOR FOOLPROOF RESULTS

- Use the ThinQ® app to start the oven, set timers or check on dinner from anywhere
- Get inspired and expand your menu options using the SideChef, Innit or Tovala apps, then automatically send temperatures and cook times to your oven
- Go hands-free—select oven features work with Alexa and the Google Assistant
- Proactive Customer Care offers preventative maintenance tips and alerts and expedited repairs, for enhanced satisfaction plus improved product performance
