

Gas on Steel Cooktop, 24"

Series 7 | Contemporary

Stainless Steel | Natural gas

All the essentials in a compact cooktop, including a wok burner for high heat cooking.

- Four burners including a wok burner
- Auto re-ignition means if the flame goes out it will automatically re-light for safety

DIMENSIONS

Height	2 21/64"
Width	23 5/8"
Depth	20 7/8"

FEATURES & BENEFITS

Easy handling

With flat cast iron grates, pots and pans can easily be slid across elements, coming in handy in busy cooking environments.

Safe and sound

The Auto-reignite system means you don't have to hold down a dial while burners ignite - if a burner goes out it is automatically relit at the original flame setting.

Complementary design

The brushed stainless steel and polished metal trim has been designed for durability but also provides a modern, stylish finish, matching the Fisher & Paykel family of kitchen appliances.

Easy cleaning

The stainless steel component is easily accessible and quick to clean. Cast iron trivets provide a durable and stable cooking platform. Their rubber feet prevent them from scratching the cooktop.

Handy accessories

This cooktop comes with a small pan support and wok stand to complement different cooking styles.

Precise control

Simply turn the dials to ignite the flame quickly and safety. Innovalve™ technology allows you to adjust the flame with 180° gas valve rotation for super accurate temperature control.

SPECIFICATIONS
