**NOTES**

Upholstery Material: Leather/Vinyl

19PH, 23PH, 57PH, 58PH, and 59PH feature Euro power headrests.

72 console features two cup holders and a storage compartment.

73 console features two cup holders, a storage compartment, and a sound system. Two USB ports and two electrical outlets are located inside the storage compartment.

Sound system allows you to connect a mobile device wirelessly or through an auxiliary port and play audio through the hidden speakers. The control panel features a USB port and power, function, volume, bass, play, pause, and skip buttons.

Removable backs allow for easy lifting and maneuvering through doorways.

The power control allows you to independently adjust the recline and headrest.

A separate home button returns the headrest and footrest to their original positions with one touch.

A USB port is included on the power control for powering electronics.

Zero draw technology only uses power when the USB port is in use.

**Power Recline  
& Headrest**

**Interlocking Brackets**

Interlocking brackets securely attach one sectional component to another to prevent them from separating even when reclining.
