

Aspen Mirror Walnut

Product Images

Short Description

Aspen Mirror Walnut

Description

The faux live-edge and deep walnut finish of the furniture in our Aspen collection is a warm contrast to the sleek perfection of their steel bases. Crafted from solid acacia wood and reclaimed iron, each piece features heirloom-quality techniques to ensure durability for years to come. Combining organic silhouettes with modern details for a casual and transitional style, the pieces in this collection feature clean edges and butterfly joinery detailing.
