

Steel FF3450 Stainless Steel

Steel collection faucets blend the modern look and inherent sturdiness of solid stainless steel and are perfect for today's hard-working kitchens.

FEATURES

- Solid 304 stainless steel construction delivers corrosion resistance inside and out.
- Pull-Down 360-degree swivel spout provides a full range of motion to reach almost any area of the sink.
- Dual functioning spray head can toggle between powerful spray and stream, making clean-up effortless.
