

Bespoke Jet Cordless Stick Vacuum VS20A95923

SAMSUNG

Available Colors

Signature Features

Contemporary and Premium Design

- Innovative features and our most premium finishes and colors for a vacuum so stunning you'll want to show it off.

Advanced Cleaning Performance

- Samsung's new TurboHex™ motor technology provides our strongest suction, with up to 210AW of power, to pick up tough dirt from any surface while still being lightweight for maximum maneuverability.

All In One Clean Station®

- At the press of a button, Clean Station empties the Jet Stick dust bin, trapping 99.99%¹ of dust and debris for a beyond-the-floor clean.

Jet Dual Brush

- No more switching brush-rolls mid-clean. The Jet Dual Brush is optimized to clean a variety of floor surfaces from carpet to hard floors to tile.

²Wet function enabled when attaching the Samsung Spin Sweeper Accessory (Sold separately).

Bespoke Jet Cordless Stick Vacuum VS20A95923

SAMSUNG

Features

Contemporary and Premium Design – Innovative features and our most premium finishes and colors for a vacuum so stunning you'll want to show it off.

Advanced Cleaning Performance – Samsung's new TurboHex™ motor technology provides our strongest suction, with up to 210AW of power, to pick up tough dirt from any surface while still being lightweight for maximum maneuverability.

All In One Clean Station® – At the press of a button, Clean Station empties the Jet Stick dust bin, trapping 99.99%¹ of dust and debris for a beyond-the-floor clean.

Charging Accessory Cradle – Store all the accessories on the accessory cradle for easy access and organization. The cradle even charges the extra battery so it's ready when you need it.

5-Layer HEPA Filtration – Both the Bespoke Jet™ and Clean Station include multi-stage filtration that separates and traps up to 99.999%² of microdust particles,³ allowing you to breathe cleaner air in your home.

Jet Dual Brush – No more switching brush-rolls mid-clean. The Jet Dual Brush is optimized to clean a variety of floor surfaces from carpet to hard floors to tile.

Digital Display – Quickly and easily check information about your vacuum, such as power level, remaining battery time, and various alerts, with an easy to view digital display.

Lightweight Design – The lightweight design lets you easily maneuver the vacuum to clean on stairs, under sofas, and in other hard-to-reach places.

2 Removable and Long-Lasting Batteries – Clean without interruption, with up to 120 minutes⁴ of run time. Each battery is easily removable and rechargeable.

Pet Tool – Take the hassle out of removing unsightly pet hair. The compact and maneuverable Pet Tool's brush is optimized for picking up pet hairs that are thin and easy to miss.

Crevice Tool – Reaches tight corners, crevices and other difficult areas in your home such as under the bed.

Combination Tool – This combination dusting and cleaning tool is great for gently cleaning furniture or the interior of your car. The soft dusting bristle also pick up dust off hard and soft surfaces.

Flex Tool – Clean hard-to-reach places, like on top of a fridge or under furniture, more easily. The Flex Tool can bend up to 90 degrees to get into areas that are high up or at an obscure angle, without losing suction power.

Washable Dustbin – Dustbin can be easily washed to maintain optimal condition and performance.

Telescopic Pipe – The pipe adjusts to three different lengths, helping you reach certain spots or providing a more comfortable height.

¹Based on the IEC 62885-2:2016 and EN 60312-1:2017 Filtration efficiency standard by SLG Prüf- und Zertifizierungs GmbH tests.

²Suction tested based on the IEC62885-2 Cl. 5.11 standard, tested at the inlet of the non-motorized tool, using Jet mode. Based on SLG Prüf- und Zertifizierungs GmbH tests.

³Microdust is defined as any dust particles that are less than 10 micrometers in diameter.

⁴Stated run time applies to the minimum power level with a non-motorized tool attached. Each battery runs for 30 min. on Mid Mode, 10 min on Max Mode, and 3 min. on Jet Mode.

Actual color may vary. Design, specifications, and color availability are subject to change without notice. Non-metric weights and measurements are approximate.
