The narrow design of the precision trimmer attachment makes it easy to create sharp edges and fine details. The precision shaver attachment cleans up cheeks, chin and neck to finish your look.

Effective body grooming

Efficiently trim your body hair with click-on guards for body (3 mm, 5 mm).

Fast hair clipping

Hair trimming is 30% faster* thanks to an extra-wide 41 mm stainless steel hair clipper that cuts more with every stroke. Create any hairstyle with extra-wide hair guards and 2 ear-taper guards for evenly blended tapering.

Nose/ear/eyebrow trimming

The nose/ear trimmer attachment removes unwanted nose and ear hair quickly and safely. Easily keep your eyebrows neat and tidy with the dedicated eyebrow comb.

Self-sharpening steel blades

Stainless steel blades remain sharp as day one for long lasting performance. No oil required.
