

SUBWOOFERS

SUB 12 SLIM

Product sheet

Designed and developed in France, the Sub 12 Slim benefits from Focal's renowned savoir-faire. With its 30cm polypropylene cone, this subwoofer provides an excellent bass boost for any on-board audio system. It has a single-coil architecture for simplicity and efficacy. With a much shallower depth than a standard subwoofer, this product is easily installed into restricted spaces such as the sides of a car boot.

Key points

- Compact design
- A deep and powerful bass
- Efficacy as sealed box, from 15L
- Robust design
- Excellent power handling
