

AUTOMATIC ICE MAKER INSTALLATION INSTRUCTIONS

An authorized service technician is recommended to install the ice maker kit.

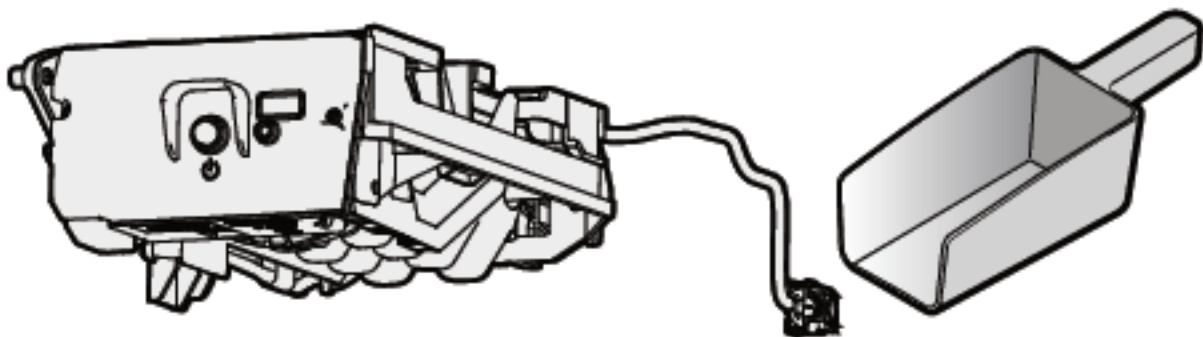

WARNING

- To avoid electric shock, which can cause death or severe personal injury, disconnect the refrigerator from electrical power before connecting a water supply line to the refrigerator.
- Connect the ice maker to a potable water supply only.

Tools Needed:

- | | |
|--------------------------|--|
| • Flat head screw driver | • Phillips or Quadrex screw driver (PH 02) |
| • Gloves | |

Ice Maker Kit IMKQT22A Components

Bracket Instructions:

1. Attach the bracket to the top of the ice maker.
2. Secure the bracket to the ice maker using the supplied screw.
