NOTES

Storage console with two beverage holders houses remotes, magazines and more
Zero Gravity recline technology reduces the forces of gravity to provide comfort and well-being
Built to last with our DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
Divided back cushions have a refined look and cradle your neck and back
Power headrests support the head and neck, allowing you to read or watch TV while reclined
Power lumbar provides support for the lower back
Power control independently adjusts the headrest, recline and lumbar for a personalized sit
Home button returns the headrest, footrest and lumbar to their original positions with one touch
USB port built into power control for convenient charging
Higher back provides comfort no matter your height
High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap to ensure longevity and comfort as you sit and recline
Premium semi-aniline leather has a luxurious look and feel
Divided back cushion has a refined look and cradles your neck and back
Power headrest supports the head and neck, allowing you to read or watch TV while reclined
The power control allows you to independently adjust the recline, headrest, and lumbar support.
A separate home button returns the headrest, footrest, and lumbar support to their original positions with one touch.
A USB port is included on the power control for powering electronics.
Zero draw technology only uses power when the USB port is in use.
