Assembly instructions

CAUTION: Read before unpacking Assembly parts. Sharp exposed staple tips can cause injury. For your protection, please remove any exposed staples used in packaging.

INSTRUCTIONS:

- Step 1: Use the plastic anchors with screws to attach the wall ring bracket on the wall.
See the illustration.
- Step 2: Use the quick link to connect each loop end of the cable to each bracket on wall and mirror. Rotate sleeves of each quick link to secure cable loops to the ring bracket.
- Step 3: Lean mirror against the wall.

NOTE: Before discarding packaging material be sure you have located all the parts including the necessary hardware and tools listed on the instruction sheet below.
