

RAZOR SPEAKER RZ210

The Razor Speaker Series is an outdoor architectural masterpiece that brings modern-day style and superior sound performance to a low-profile speaker system designed to adapt to many environments with subtle elegance. Razor's style flexibility and versatility perform admirably in every application. The **Razor Speaker** is the first line of outdoor wall and hardscape speakers built with true HiFi performance in mind, with options for bi-amped sub/sat configurations along with tri-amped solutions that utilize external subs.
