

MUSHROOM HAT PATH LIGHT FLEX SERIES

The Path Light offers four unique and stylish path light styles. All provide subtle light and superior dependability that you can count on night after night. Path lights are offered in different sizes for greater personalization of your outdoor living space. Constructed of solid brass, Coastal Path Lights will be an integral part of your landscape design for many years.

Coastal Source recommends 55 Degree lamps for path lights for optimal light spread. Note that only 1.5W and 3W G3 MR16 Lamps are compatible with path lights.
