

# Gas on Steel Cooktop, 36", Flush Fit, LPG

Series 9 | Contemporary

Stainless Steel | LPG

Our award-winning cooktop fits flush into your kitchen benchtop, for a seamless look and easy cleaning.

- Five burners including a wok burner
- Auto re-ignition means if the flame goes out it will automatically re-light for safety

## DIMENSIONS

Height	3 1/16"
Width	35 1/2"
Depth	20 7/8"

## FEATURES & BENEFITS

### CLEVER COOKING RESULTS

The consistent flame and heat distribution of the dual flame wok burner combined with the highly responsive dials offer precise heat adjustment that can perfect a slow simmer for sauces or an intense heat for searing steaks.

### SAFE AND SOUND

Intuitive dials glow red for on and white for off, showing from a distance which burners are lit. The Auto-reignite system means you don't have to hold down a dial while burners ignite - if a

burner goes out it is automatically relit at the original flame setting.

### COMPLEMENTARY DESIGN

The brushed stainless steel has been designed for durability but also provides a modern, stylish finish, matching the Fisher & Paykel family of kitchen appliances.

### EASY CLEANING

The stainless steel component is easily accessible and quick to clean. Cast iron trivets provide a durable and stable cooking platform. Their rubber feet prevent them from scratching the cooktop.

### HANDY ACCESSORIES

This cooktop comes with a small pan support and wok stand to complement different cooking styles.

### FITS FLUSH

This Gas Cooktop's burners are recessed into the work surface leaving the trivets flush and providing an integrated kitchen bench with a seamless look.

## SPECIFICATIONS

### Accessories

Small pan support	•
Wok stand	•

### Burner ratings
