

FHWH124WB2

12,000 BTU Window Room Air Conditioner with Supplemental Heat

The Frigidaire 12,000 BTU Window-Mounted Room Air Conditioner is more than your standard air conditioner: a supplemental heating function allows you to use this unit year-round. The even weight distribution and slide-out chassis helps make this unit easy to install. Capture dust from the air and keep your air conditioner working efficiently with our easy-to-clean washable dust filter.

Version: 05/23

Consumer Benefits

Use Year-Round with Supplemental Heat

Use this unit year-round with a supplemental heating function, making this more than your standard air conditioner.

Easy-to-Clean Washable Dust Filter

Capture dust from the air and keep your air conditioner working efficiently with our easy-to-clean washable filter. And forget having to keep track of filter changes; the Clean Filter Alert will notify you when it's time to clean your filter.

Eco Mode

Keep your room cool and comfortable; this unit turns on and off at different intervals to ensure that the room stays at your desired temperature while helping keep energy costs low.

Easy Installation

Easily install this air conditioner; this unit distributes the weight into two pieces using a slide-out chassis.

Programmable Timer

Preset the unit to turn on and off in half hour increments so that you can maintain optimal comfort while at home.

Sleep Mode

Enjoy maximum comfort and quiet operation throughout the evening hours. With Sleep Mode, the temperature gradually increases a few degrees over the course of the night, and returns pre-set temperature in the morning.
