

# Electric Range 30" - Ceramic Radiant

Series 7 | Contemporary

Stainless Steel

A refined electric range with multiple oven functions for perfect cooking of anything from a large roast to baking bread and pastry.

- Electric radiant cooktop with four cook elements
- Nine oven functions including Roast, Aero™ Pastry with Pizza mode, and Rapid Proof for baking bread
- High-temperature self-cleaning function breaks down food residue for an easy clean

## DIMENSIONS

Height	35 3/4 - 37 5/8"
Width	29 7/8"
Depth	25 1/4"

## FEATURES & BENEFITS

### COOKING FLEXIBILITY

Accurate, electronically-controlled oven heat, ensures a great result every time with 9 functions and pre-set temperatures including bake, grill, pastry bake with pizza mode and fan forced, for a variety of cooking styles.

### A MODERN LEGACY

A refined, minimalist style with attention to the smallest details. High-performance cooking technology offers multiple cooking functions.

## QUALITY AND DURABILITY

Every detail has been carefully crafted. The solid, perfectly balanced soft-close door, machined stainless dials and glowing halo dials all add up to an exceptional, premium range.

## LARGE CAPACITY OVEN

The generous 3.5 cu.ft total capacity oven gives you plenty of space to cook multiple dishes at once, with enough room to fit a 26 lb turkey.

## EASY TO CLEAN

Cleaning up spills is effortless. The flat ceramic cooktop is easily wiped after use, and the self-cleaning oven breaks down food residue at a very high temperature leaving a light ash that's easily removed with a damp cloth.

## EVEN HEAT

Accurate, electronically-controlled oven heat ensures a great result every time. Dishes on the top shelf turn out as perfectly as the ones on the bottom due to our AeroTech™ convection system that circulates air evenly throughout the entire oven.
