

Samsung K3

Ultra-Slim Portable Digital Audio Player

- Ultra-slim (0.27" wide)
- Durable Flash memory
- 2GB and 4GB available
- Plays MP3 and WMA files
- Subscription service compatible (Janus DRM)
- 1.8" Full Color OLED display
- Light emitting touch pad
- FM Tuner with autoscan and presets
- Displays JPEG Images
- DNSe (Digital Natural Sound Engine)
- Clock
- Li-Poly rechargeable battery
- Playback time - up to 20 hours
- Screensavers - analog clock, jpeg slideshow and animations
- Sleep timer and auto-off function
- 15 different languages

The Samsung K3 is the slimmest subscription-enabled MP3 player on the market. The K3 uses Samsung's OLED display with a light emitting touch-pad, a combination that has garnered critical acclaim for the Samsung K5. Also enjoy FM and photo slideshows.

Samsung K3

Ultra-Slim Portable Digital Audio Player

Features

EP-370 Balance Earphones

MP3—The most common format in the market. These files can have near-CD sound quality and are compatible with most digital audio players.

WMA—Microsoft's Windows Media Audio file. WMA delivers MP3-like sound quality with better compression. This helps improve download speeds.

DRM-Janus—This version of WMA allows for subscription services to provide unlimited downloads to the device.

FM Tuner—The built-in FM tuner will scan the entire FM range in less than 60 seconds and automatically places the available FM stations into presets.

Photo Viewer—Show JPEG slideshows, 2x2 thumbnail view for easy browsing.

Language Support—English, Korean, Japanese, Chinese, Italian, French, Spanish, German, Russian, Portuguese, Hungarian, Dutch, Polish, Swedish.

Preset EQ-5 modes

Equalizer (DNSe)

Samsung's Proprietary Sound Effect "DNSe portable" is a revolutionary sound technology, providing rich, more natural effects and a true-to-life surround sound experience. DNSe surround sound provides a simulated surround effect for headphone users that is much closer to real sound.

Graphic EQ and multiple play modes: Normal, Shuffle, Repeat One, Repeat

Customizable screen savers: animations, JPEG slideshow, clock display

Display off timing options from 15 secs to 5 mins or always on

Auto power off options from 15 secs to 5 mins

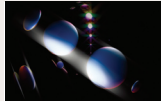

Navigation sounds option: (on or off)

Volume limiter option: (on or off)

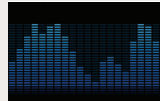

PC Playlist supported

Library—Artist, Album, Genre, Title DB sorting
