

SONY

DSXM55BT

Marine Media Receiver with Bluetooth®

Take to the water with the ultra-versatile DSX-M55BT media receiver. Enjoy rich, dynamic sound with Mega Bass, and listen from all of your favorite gadgets with USB, Bluetooth® and One-touch NFC connectivity. Siri® Eyes Free and a hands-free built-in mic make communication simple.

Bullets

- Easy Bluetooth® connectivity with NFC One-touch/Bluetooth® wireless audio streaming
- Mega Bass produces rich, punchy sound
- FM/AM radio tuner and MP3 playback via USB
- Take calls hands-free with a built-in mic
- 18x FM & 12x AM radio presets

Features

Integrated Bluetooth® technology¹

Easily take calls and listen to your favorite tunes with Bluetooth® 3.0 technology. ¹ The receiver can simultaneously connect up to two compatible devices and choose between hands free phone access, phonebook access or audio streaming.

One-touch listening with NFC

Enjoy simplified Bluetooth® connectivity with Near Field Communications (NFC) technology. ¹ Align compatible devices and touch NFC logos to: activate Bluetooth®, pair devices, and stream music. When done, align and touch the NFC logos to disconnect.

Front USB for iOs & MSC/MTP USB devices²

Connect control & charge your Walkman®, iPod®, iPhone®, Android™, Blackberry®, or other compatible USB device while accessing your digital music files via the front USB input. You can also view metadata like song title and artist on the front display. The front USB port provides up to 1 amp maximum output for charging your portable devices. ²

USB playback supports MP3/WMA/FLAC³

Multi-format playback lets you play your MP3, WMA or FLAC files from a compatible USB device. ³

SiriusXM™ Satellite radio ready⁴

The on-board SiriusXM™ connector simplifies satellite radio installation by eliminating compatibility issues and providing direct connection to the latest platform of tuners. ⁴

Works with Pandora® (iOs and Android™)⁵

Pandora® is the leading internet radio service, giving people music they love anytime, anywhere, through personalized radio stations.⁵ The receiver provides complete access to your Pandora account using your iPhone®, Android™ or Blackberry® phones.

Siri Control for hands-free control of your iOs device⁶

With Siri Eyes Free, iPhone users can manage everything from calls, texts and music to social media notifications without ever having to take their eyes off the road. Tell Siri to make a hands-free call, compose a text message, or select and play music, so you can multi-task safely. ⁶

Advanced sound with EQ5, MEGA BASS, and LPF crossover

The new Advanced Sound Engine includes adjustable EQ5 equalizer and selectable LPF crossover.

2-Volt rear and sub RCA preamp outputs

When you're ready to expand your system, the receiver delivers 2 volt RCA pre-amp outputs for external rear and subwoofer amplifiers. The adjustable subwoofer level control also lets you dial in the bass when you're ready to pump it up.

Convenient wireless remote supplied

Control your receiver with the included wireless card remote (RM-X231).
