- Link up to 100 compatible speakers to synchronize music and lighting through Party Connect
- Sound Field Optimization.^{3,5}
- 7-band equalizer to adjust your sound settings.⁶

Features

Hit the button. Feel the bass

Press the ULT button to boost your bass. Select ULT1 for deeper, lower frequency bass. Select ULT2 for powerful, punchy bass.

Listen loud and clear

The X-Balanced Speaker Unit emits a deep, punchy bass and vocal clarity at any volume. For higher frequencies, a high efficiency tweeter fills the room with crisp sound. Passive radiators optimize the sound to enhance clear bass. Put it all together and you get an audio experience worth sharing with your friends.

Powerful sound with X-Balanced Speaker Unit

Our X-Balanced Speaker Unit features an almost rectangular diaphragm, for an increased surface area compared to conventional speaker units. The 114 mm x 114 mm large woofer unit gives clear and deep bass sound.

A richer, clearer, deeper experience

The non-circular diaphragm increases the sound pressure for deeper and punchier bass, less distortion and greater vocal clarity. All designed to elevate your listening experience.

Sound Field Optimization

By detecting local noise in the environment, the speaker adjusts the sound setting in between tracks to deliver clear music even when you are surrounded by other sounds.

Energize your party with dynamic lighting

Bring the ultimate vibe with colorful lighting that synchronizes with your music and is easily controlled via the Sony | Music Center app and Fiastable app.⁶

7-band equalizer

Select your favorite sound setting to hear your music exactly as you like it.⁶

Take it anywhere

Enjoy your party inside or out with an easy-to-carry design that works standing vertically or laid on its side.

Get a handle on your music

With a comfortable and stylish handle, take your music on the go.

Take the party outside

With an IP67 waterproof, rustproof, and dustproof rating¹ this speaker is ready for listening by the pool, at the park or wherever you like, no matter how dusty the surface – you can rinse it off.

The choice is yours

Upright or on its side, you can position the speaker in whatever position you want so it makes the most effective use of your space.

The party never stops

With up to 30 hours of battery life², keep the party alive all night.

Charge in just 10 minutes

With quick charging, 10 minutes gets you up to 3 hours of playing time.²

Take care of your battery

The battery care function means you never have to worry about overcharging your speaker, so it's dependable for longer.

Karaoke and Guitar

Connect a mic and get ready to sing or add a guitar and use the speaker as an amp.

Inputs and setting in one place

Designed for convenience, find all the inputs and controls on the rear panel, including echo and key controls.

Party Connect

Connect with up to 100 compatible speakers and sync your music and lights to make sure everyone's dancing to the same beat.^{3,5}

Add an extra speaker for stereo sound

If you want an even bigger sound, connect two ULT FIELD 7 speakers wirelessly for stereo sound that will spread even further.⁴

USB Play, and charge devices

Plug in and play music with USB connectivity. Keep the party going while charging your devices using the speaker as a portable battery.

Sony | Music Center app⁶

Optimize audio settings, select playlists, and control Party Connect. Manage your devices right from your phone with the Sony | Music Center app.⁶

Fun features with Fiestable app⁶

Use fun features, such as DJ control and the lighting function, from your phone with this handy app.⁶

Bluetooth® Fast Pair and Multipoint connection^{5,7}

With one tap, enable quick, effortless Bluetooth pairing with select Android devices.^{5,7} For total convenience, you can pair your ULT TOWER 7 with two Bluetooth devices at the same time, to switch instantly between different music sources.⁵

Road to Zero

Inspired by the beauty of the world, we are doing our part to help preserve the Earth while still offering superior sound quality and listening experience. With a goal of achieving a zero environmental footprint across the entire Sony Group by the year 2050, we are accelerating numerous environmental initiatives.

Sustainability in mind

Our products are designed not only to pursue sound quality, but also to consider the environment. Recycled plastic⁹ is partially used for the body of the ULT FIELD 7. This reflects how we strive to reduce the environmental impact of our products.

Accessibility

We believe technology should make the world more interactive, more creative, more entertaining, and more inclusive. By incorporating human-centric, inclusive design into our audio products, we deliver our KANDO experience to all our users, regardless of age, ability or environment.

Supplied Accessories	AC Power Cord

1. Water-resistant certified to IP67 standard. Requires that all ports and covers are firmly closed. Capable of resisting a 12.5 ltr./min. spray of water from a distance of 2.5 meters for a period of 3 minutes. Dustproof certified to IEC 60529 IP5X standard. Rustproof certified.
2. When ULT1/2 on, and the volume level is set to 16, lighting off. Actual performance varies based on settings, environmental conditions, storage, and usage. Batteries are consumable products, and their capacity degrades over time as they age. Sony does not guarantee the life span of the battery.
3. Only compatible between SRS-XB43, XB33, XB23, XP700, XP500, XG500, XG300, XE300, XE200, LSPX-S3, XV800, XV900, XV500, ULT 70, and ULT 1000. Wireless Party Chain functions are not applicable for connection. Firmware update required for current models.
4. Bluetooth required. Only compatible between ULT FIELD 7 wireless speakers.
5. Interoperability and compatibility among Bluetooth® devices vary.
6. Download app at Google Play and the App Store. Network services, content, and operating system and software subject to terms and conditions and may be changed, interrupted or discontinued at any time and may require fees, registration and credit card information.
7. Android phones running 6+
