- Ambient lighting suits the mood of any surroundings
- Two inputs so you can karaoke with a friend
- Make it a party, with the Fiestable app²
- Personalize your sound with the compatible Sony Music Center app²

Features

LIVE LIFE LOUD

Life should be lived at full volume. That means getting your friends together, turning up the music and dancing all night to clear, rich sound. With our X-series wireless speakers, you can make the most of every single moment, power parties you'll remember forever, and always live your life out loud.

Powerful Party Sound

The SRS-XV500 uses woofers and front tweeters to deliver a deep, punchy bass and clear vocals. With even more sound pressure, you won't be able to resist the urge to dance.

Powerful sound with X-Balance Speaker Unit

Our X-Balance Speaker Unit features an almost rectangular diaphragm, for an increased surface area compared to conventional speaker units. The 140 mm x 140 mm larger woofer unit gives clear and deep bass sound.

Listen loud and clear

The combination of X-Balanced Speaker Units and front High-efficiency Tweeters deliver powerful, rich, and crisp sound. That means everyone can experience great music.

LIVE SOUND

The LIVE SOUND mode is perfect for live music, so the XV500 lets you relive your favorite sound experience.

Entertain your audience

With inputs for karaoke and guitar, the SRS-XV500 gives you even more ways to have a good time. Just plug in and sing or play.

MEGA BASS – Give your bass a boost

Level up the low end with the touch of a button.

The party never stops

With up to 25-hour battery life, the XV500 will keep the party powered all night.³

Get hours of music in minutes

Get up to 2.5 hours of playing time with just a 10-minute charge.³

Enjoy worry-free listening with battery care

The Battery Care function protects your speaker from overcharging, making it more dependable over time.⁵

Grab it and go

The XV500 has a comfortable handle that makes carrying it easy.

Mood lighting and stylish design

The speaker's indirect, ambient lighting suits the mood of any surroundings. Its simple, clean design blends into any room.

The choice is yours

The XV500 can be positioned horizontally or vertically, depending on your needs.

Don't stop your party

If the forecast isn't looking good, you don't have to worry. The XV500 has an IPX4 water resistant rating,⁹ so you can play outside with confidence, even if a few raindrops fall.

Inputs and settings in one place

The inputs and controls are all found on the rear panel, including those for Echo and Key Controls. Designed for convenience, so you can sound your best.

Stay in control of your settings

Take control of your modes, settings, and lighting with the easy-to-use touch panel. It's intuitive and conveniently illuminated, so you can command the party even in a dark environment.

Bluetooth® Fast Pair

Pair your Android™ device and the XV500 with just a quick tap.⁷

Party Connect

Get everyone dancing to the same beat. Sync your music and lights with up to 100 compatible wireless speakers.²

Play music & charge devices via USB

Plug in and play music via USB and use the XV500 to charge up your other devices.⁸

Personalize your sound with the Music Center app

Control the XV500 from your mobile device. With the Sony | Music Center app, you can optimize audio settings, select playlists, cue the next song, and control Party Connect.²

Aiming to achieve a zero environmental footprint

Inspired by the beauty of the world, we are doing our part to help preserve the Earth while still offering a superior sound and listening experience. With a goal of achieving a zero environmental footprint across the entire Sony Group by the year 2050, we are accelerating numerous initiatives for the environment.

Environment in mind

Our products are designed not only to offer outstanding sound quality, but also to be kind to the environment. Recycled plastic originally developed for Sony is partially used for the body of the SRS-XV500. This reflects how Sony strives to reduce the environmental impact of our products.

Accessibility

We believe technology should make the world more interactive, more creative, more entertaining, and more inclusive. By incorporating human-centric, inclusive design into our audio products, we deliver our Kando experience to all our users, regardless of age, ability or environment.
