30" Induction Freestanding Range

Explore your culinary creativity with the Electrolux induction freestanding range with true convection and a bridge feature for delicious results, no matter the dish.

Available Colors: Stainless Steel

Version: 11/23

Consumer Benefits

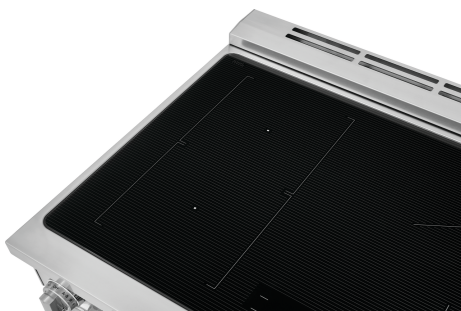

True Convection

Master even the most challenging recipes with true convection which uses three heating elements and a fan for even cooking results

Bridge Feature

Expand your culinary horizons to specialty foods like crepes and paninis with a bridge feature that allows you to connect two cooking elements to allow for simultaneous control, perfect for a griddle pan.

Temperature Probe

Cook proteins to juicy perfection, never over or under cooked, with an integrated temperature probe which alerts you when your food has reached the desired temperature

Sleek Design

Edge-to-edge front controls with sturdy knobs and the Electrolux signature pinstriped glass lend to the sleek design that make this range a focal point of your kitchen

One Hour Steam Clean

Keep your oven looking its best with the one hour Steam Clean cycle that's chemical- and odor-free

Soft Close Door

Gently close the oven door even when your hands are full with the soft close door
