Performance

ALL THE WAYS YOU WANT TO COOK—  
ALL IN ONE RANGE

- **UltraHeat™ 3.2kW Element** — powerful enough to rapidly boil water and flexible enough to turn down to a true simmer
- **Air Fry** — with huge capacity and no preheat needed, make enough crunchy favorites like wings, fries and more to feed a crowd while saving time and counter space
- **Air Sous Vide** — using low oven temperatures and airflow around vacuum sealed ingredients, Air Sous Vide locks in moisture and aroma to deliver meats, fish and poultry that are tender, juicy and consistently delicious\*
- **ProBake Convection<sup>®</sup>** — get superior baking and roasting results with a powerful element and dual-speed fan that efficiently circulates hot air throughout the oven, for greater consistency across all racks

\* Refer to owner's manual for proper cooking instructions.

Style & Design

SPACIOUS EASYCLEAN<sup>®</sup> OVENS AND  
SLEEK, INTUITIVE CONTROLS

- **Generous Capacity** — with a total oven capacity of 7.3 cu. ft., two ovens give you the flexibility to cook different foods at different temperatures at the same time
- **SmoothTouch<sup>®</sup> Glass Controls** — deliver sleek style and easy operation with just a touch of your finger—the smooth surface easily wipes clean for a design that is as practical as it is stylish
- **EasyClean<sup>®</sup> Cycle** — keep your oven looking like new with our EasyClean<sup>®</sup> cycle— simply spray the interior with water, touch the EasyClean<sup>®</sup> button and let the oven do the work in as little as 10 minutes,\*\* without chemicals or high heat, and easily wipe away the residue†

\*\* Double oven EasyClean<sup>®</sup> cycle times may vary by oven compartment. Lower oven: 10 minutes, upper oven: 15 minutes.

† Heavy build-up may require additional manual effort or use of the Self Clean feature.
