TiVo HD

Search for movies and sports in HD. With our intelligent search features, you can easily find a specific director, actor, player, or team among the world of both broadcast and broadband content. Prefer to see a movie in high definition? Do a WishList™ search and the TiVo service will automatically record the HD version and place it in your Now Playing List.

DYNAMIC *TV Viewing*

Record movies in HD. When recording with TiVo HD, you have the option of capturing shows in standard or high definition. Plus, when you play them back, you can easily pause or rewind HD instant replays—without ever sacrificing their original razor-sharp HD resolution.

Schedule an HD premiere. With TiVo, you can do your TV scheduling from any computer when you are away from home. Log onto TiVo.com, click on a show, and you're done.

BREATHTAKING *Movies*

Download movies from the Internet. Don't see any great movies in your cable program guide? You can easily select a classic or new release from the world's largest movie library, order them with a click of your remote control, and have them downloaded directly to your TiVo box.

HIGH-FIDELITY *Music*

Access your music library with the remote. When you connect your TiVo DVR to your home network, your HDTV can connect right to millions of songs and playlists available over the Internet. You can now enjoy digital music on the best sound system in the house.
