## NOTES

- Built to last with Flexsteel's patented Blue Steel Spring™ seat system, providing unmatched support and durability
- High-resiliency and memory foam zoned comfort in the backrest and seat provides additional support and pressure point relief
- Upholstered in three color choices of moisture-resistant performance fabric, including Nanobionic wellness fabric options that contain infrared emitting minerals that recycle and enhance your body's energy while being stain-resistant and easy to clean
- The seat cushions contain a CloudLux™ topper, a hypoallergenic down alternative fill that provides luxurious loft and comfort
- Air massage function in the seat and backrest is adjustable to three levels and automatically shuts off after 20 min
- Heat function in the backrest (on/off) automatically shuts off after 20 minutes
- Customize your comfort with a hand wand control that independently adjusts the Zero Gravity recline, headrest, lumbar support, heat and massage
- Center, drop-down back cushion contains touch lighting, two cupholders, a wireless charging tray, and USB-A and USB-C ports
- User-friendly MyRecline app technology allows you full control of your Zofa's functions easily from your phone
- LED motion-sensing base lighting turns on when you approach or get out of the recliner, and can be adjusted in brightness and color in the MyRecline app
- Headrests contain memory foam for enhanced sleeping comfort
- Two side pockets on each side of the sofa provide ample space for storing magazines, remotes and more
- Removable back for easy moving throughout the home
