SONY

SRSXV800

XV800 Portable Bluetooth® Wireless Party Speaker

Make it epic. The XV800 wireless party speaker has amazing omnidirectional sound[1], ambient lights,[2] an IPX4 rating[9] for water resistance, up to 25 hours of battery life[3], and an X-Balanced speaker that delivers distortion-free lows. It's a powerful all-in-one package.

Bullets

- Power your party with Omni-directional Party Sound [1]
- Illuminate the night with colorful ambient lighting [2]
- Up to 25 hours of playing time, plus quick charging [3]
- Sound made to move, with a built-in handle and wheels
- Play it poolside—the XV800 is IPX4 splash-resistant[9]
- Access modes, settings, and lighting easily on the top touch panel
- Get power, clarity, and distortion-free sound from the X-Balanced speakers
- Enjoy a brilliant audio/visual experience with TV Sound Booster [4]
- Personalize your sound with the compatible Sony Music Center app [2]
- Get your karaoke on—the XV800 has microphone and guitar inputs
- Make it a party, with the Fiestable app [2]
- Plug, play, and charge your device easily with USB connectivity [8]

Features

Fill your room with Omnidirectional party sound

With five tweeters between the front and rear [1], the XV800 omnidirectional speaker powers your party and fills your space with brilliant sound.
Mid-range and vocals cut through, thanks to dedicated stereo drivers, and it's all backed up with punchy bass you can feel.

Groundbreaking sound from our X-Balanced speaker unit

With its unique rectangular design, the X-Balanced speaker diaphragm has a larger surface area compared to conventional speaker units, and the 6.7-inch x 6.7-inch woofer unit enhances both power and clarity for distortion-free bass.

The party never stops

With up to 25 hours of battery life, the XV800 has the power to play all night. [3]

Get hours of music in minutes

Get up to 3 hours of playing time with just a 10-minute charge. [3]

Enjoy worry-free listening with battery care

The Battery Care function protects your speaker from overcharging, making it more dependable over time.[5]

MEGA BASS – Give your bass a boost

Level up the low end with the touch of a button.

Light up the night with ambient party lighting

Illuminate your space, filling it from top to bottom with color. [1,2]

Plug-and-play karaoke

The party starts now—just pick your track, plug in a microphone, and sing. Because the XV800 has two inputs, you can also plug in a guitar and use the speaker as an amp.

Big sound on the move

With wheels and a convenient built-in handle, the XV800 is ready to go where you go.

Total control, right at your fingertips

With the top touch panel, you're in complete control. Change modes, settings, and lighting with just a touch.

The TV Sound Booster takes music and movies to new heights

Sony's unique TV Sound Booster function enhances the sound of audio/visual content, like live performance videos and movies.[4]
The XV800 ramps up your TV sound via the 6.75-inch X-Balanced woofer, powerful midrange speakers, and tweeters on the side and rear.

Bluetooth® Fast Pair[7]

Pair your Android™ device and the XV800 with just a quick tap. [7]

Party Connect

Get everyone dancing to the same beat. Sync your music and lights with up to 100 compatible wireless speakers. (Compatible models: XB43, XB33, XB23, XP700, XP500, XG500, XG300, XE300, XE200, LSPX-S3, XV800, XV900.)[2]

Personalize your sound with the Music Center app

Control the XV800 from your mobile device. With the Sony | Music Center app, you can optimize audio settings, select playlists, cue the next song, and control Party Connect.[2]

The Fiestable app makes it a party

With Fiestable, you can access DJ effects, karaoke, party lights, playlists, motion control, and more.[2]

SONY

Play music & charge devices via USB

Plug in and play music via USB and use the XV800 to charge up your other devices. [8]
