

SAMSUNG

S3 (S30GD) FHD IPS 100Hz Monitor

LS24D300GANXZA | LS27D300GANXZA

Samsung's S3 Monitor enables smooth performance, heightened productivity, and greater comfort. The IPS Panel delivers a stunning color experience across the entire display with less color washing, offering clarity from any viewpoint so tones stay consistent and accurate. The 100Hz refresh rate reduces lag and motion blur while playing games, watching videos, or working. Game Picture Mode with optimizable game settings enables instant adjustment of color and image contrast. Eye Saver Mode protects vision, reduces blue light and screen flicker, and extends comfort even during long sessions. The ergonomic super-slim design is a stylish addition to any environment, while ultra-thin border bezels make the most of screen space. Multiple connectivity enables devices to be plugged straight into the monitor for increased flexibility.

Key features

Vivid colors across the whole screen

Experience stunning colors across the entire display with the IPS panel. Colors remain bright and clear across the screen, even when you change angles. Tones and shades are represented consistently and beautifully with less color washing.

Smooth performance across any content

Stay in the action when playing games, watching videos, or working on creative projects. The 100Hz refresh rate reduces lag and motion blur so you don't miss a thing in fast-paced moments.

More gaming power

Gain a competitive edge with optimizable game settings. Color and image contrast can be instantly adjusted to see scenes more clearly and spot enemies hiding in the dark, while Game Mode adjusts any game to fill your screen with every detail in view.

Easy on the eyes

Protect your vision and stay comfortable, even during long sessions. Stay focused on your work with reduced blue light and screen flicker.

A modern aesthetic

Featuring a super-slim design with ultra-thin border bezels, this monitor enhances any setup with a sleek, modern look. Enjoy a lightweight and stylish addition to any environment.

Connect to more

Plug devices straight into your monitor for increased flexibility, making your computing environment even more convenient.
