

CONNECT WITHOUT COMPROMISE

The award-winning Victrola Stream™ Works with Sonos® turntable line brings the heritage of Victrola into the modern era of Wi-Fi connectivity. The acclaimed design, integrated volume and wireless control knob, and hassle-free setup paired with high-quality components bring a premium vinyl experience to everyone.

VICTROLA STREAM *sapphire*

Elevate your vinyl listening experience with the flagship Victrola Stream Sapphire Wi-Fi streaming turntable, featuring upgraded turntable components, a real wood veneer plinth, and unrivaled connectivity. The Stream Sapphire features Victrola Stream's Works with Sonos software and introduces VINYLSTREAM Wi-Fi™ and Roon Ready integration for streaming to most network audio devices in up to 24-bit/48kHz lossless FLAC. Enhanced by a new brushless motor, adjustable-height feet, and an Ortofon 2M Blue cartridge, the Victrola Stream Sapphire sets the standard as the ultimate Wi-Fi streaming turntable.

UNRIVALED CONNECTIVITY

- **Works with Sonos** certified to stream wirelessly to any network-connected Sonos devices
- **VINYLSTREAM WiFi™** streaming in up to 24bit/48kHz to most UPnP network-enabled streaming products, including speakers, A/V receivers, HiFi streamers, smart TVs, and more
- **Illuminated control knob** for easy playback control and volume control on Sonos and most UPnP-enabled products
- **Victrola Stream App** on iOS and Android for easy setup, turntable adjustments, and wireless playback controls

TURNTABLE FEATURES

- **Noiseless DC brushless motor** with electronic speed control provides quiet and consistent speed.
- **Low-resonance MDF plinth** with real walnut wood veneer
- **Carbon-fiber tonearm** with custom-designed removable headshell and adjustable counterweight with pre-fixed alignment guides for easy setup
- **Adjustable-height aluminum** feet with sound dampening base for easy leveling and vibration isolation
- **Gold-plated RCA outputs** with in-app latency and output controls for manually syncing and switching between wired and wireless zones
- **Ortofon 2M Blue** cartridge with nude elliptical stylus pre-mounted on removable headshell for enhanced detail and clarity
