2023 SUPPLEMENT

THE CREATION OF GREAT DESIGN IS OUR GUIDING PRINCIPLE.

That moment of surprise when someone walks into a room, sees an object, and gets a feeling of some new possibility. That's the quality we want to capture in the pieces we make. But good furniture design also has to be honest and serve its purpose. It's a challenge. So, we call upon our core belief in craft and technology. We work relentlessly on the details. We put a huge amount of time, thought and care into each piece. Welcome to Bernhardt Interiors. Iconic furniture designed for a modern era, and for you. Express what you will.
